Who saith,

I am the surveyor of the Comune of CIVITELLA.

During the month of January, 1945, on request of Sgt. CLEWLOW of the British S.I.B., I traced seven plans comprising the regions of CIVITELLA and SAN PANCRAZIO. These plans include the villages of CIVITELLA, SAN PANCRAZIO, CORNIA and GIBBIA, to the scale of 1:25,000.

I now produce these plans and I certify them correct and true.

I have read over this statement. It is correct and true. I herewith append my signature.

Statement written down in Italian and signature witnessed by C.A.GIULIANI, Interpreter, in the presence of Sgt. CLEWLOW and Sgt. ROBERTS, 78 Section SIB., on Friday, 13th April 45, at BADIA AL PINO.

I certify that this translation from Italian is correct and true and to the best of my ability.

C.A.GIULIANI.
