STATEMENT OF :-

BONICOLINI Francesca,
Caggiolo,
Civitella.. Arenzo.

Female
23 years.

Who saith,

I am the widow of BONICOLINI Giovanni, 27 years, a farm labourer. My husband had been here for fifteen years. I came to live here when I was married two years ago. My mother AMADI Sabatina, aged 47 years, and my father BONICOLINI Antonio, aged 52 years had lived by themselves in a house near CORNIA for about sixteen years. I have not seen either my mother or my father alive since the beginning of June 44, when I visited them at their house.

About 0700 hours on 29 June 44, I was at home with my husband when about ten German soldiers came to our house. They told my husband to go to the bridge and after some conversation my husband went with them. They spoke in Italian but it is not possible for me to say whether or not they were any Italian soldiers in the party.

I have not seen my husband alive or dead since that date. I was later informed that my husband was killed near the bridge referred to. I did not see his body after death. Neither my father, mother nor my husband were Partisans, neither had they rendered them any assistance.

This statement has been read over to me. It is correct and true. I herewith append my signature.

(Sgd.) BONICOLINI Francesca.

Statement written down in Italian and signature witnessed by DOTTO Floris, interpreter, in the presence of Sgt. CHARLES, both of 78 Section 91B on Monday, 5th February, 1945 at CAGGILOLO, CIVITELLA, ARENZO.

I certify that the above translation from Italian is correct and true and to the best of my ability.
